Learn to Play Hockey

Glacier Ice Rink, through the Missoula Area Youth Hockey Association, offers a **Learn to Play Hockey** program for children ages four and up who want to begin playing ice hockey. Kids learn the basic skills of the game – skating, stick handling, passing and shooting – in a fun environment. First-time skaters are encouraged and skate aids (walkers) are available for those who need them. Each session is four weeks long, and kids can participate in multiple sessions.
